ABOUT ME

I majored in Agricultural Engineering, however, in my penultimate year of university, I began to develop a keen interest in Information Technology. I have since built a very impressive career in web development, graphics design, and digital marketing. In addition to my background in the sciences, I also have an enviable command of English as I write articles as a hobby. **"NOBODY OUTWORKS ME"**

EDUCATION

- **The Complete AML & KYC Compliance Masterclass**

Udemy 2026

- **AI for Cybersecurity Certificate**

WORK EXPERIENCE

- **De-heritage School (2011-2012)**

NYSC - Due to my polymathic nature, I taught Mathematics, Physics, Chemistry, English, Geography and economics as a teacher.

- **Imperial Solutions (2012-2013)**

Data Analysis and Graphics - I worked as part of the team who created a smartboard for Imperial Schools Kaduna.

- **Zuma Communications Nig Ltd (2013-2016)**

Served as Cheif Technology Officer (CTO) for the startup social media web app; GOSSOUT

- **Ubuntu General Merchants (2016-2019)**

General/Operations Manager - I oversaw the export branch of the company, transforming a ₦ 10 million capital to ₦ 49 million in my 36 months there.

St. Nicholas Hospital (2020- 2025)

- Digital Brand Strategist - Here I was tasked with improving the hospital's visibility and perception online. For this, I had to redesign the website which included new features like translation into 4 different languages, a live web chat, and making the website responsive on mobile phones and tablet devices; a feat that saw me win the MD/CEO award for outstanding innovation.
- I also grew the brand's social media presence by adding an estimated 10,263 followers across different platforms via Search Engine Optimization (SEO) and Search Engine Marketing (SEM). This directly added ₦ 71, 000,000 in my first 18 months in the company.
- My team and I designed a brand-guide to officially establish a standard for the hospital in perpetuity.
- I helped with part of the design for the hospital's mobile app (the first hospital to have one in Nigeria).
- My team and I made decisive contributions to getting the hospital to be internationally accredited by COHSASA.
- Data Protection Officer- As i obtained my cybersecurity certifacte I doubled as a DPO for the company.
- Head of Marketing- I grew to be the head of the marketing department in my last year.

Tunde Adelakun (2020- Date)

- I managed the digital presence of the former Super Eagles' assistant coach, when he worked with the Nigerian national team for 5 years (now assistant coach of the Benin Republic national team)
- I have since continued to manage him even after his contract with the national team in his various other projects
- I also double as his personal assistant

The African Football Club (2021- Date)

- I serve as the website and social media manager in the organization

Goodwill Hunting Foundation (2009- Date)

- Added to being a co-founder, board member, and donor to the organization, I also contribute my technical skills.

dDx Intelutions (2025- Date)

- CTO- Serve as the Head of IT and Cyber Security
